WALK-A-THON UPDATE

What a beautiful day for walking! Jody and I just can't begin to thank the Lord and His provision of YOUR hard work. It is what makes Walk-A-Thon such a great success, and so much fun. It was such a busy day, that I completely forgot to announce the final dollar amount received for Walk-A-Thon. The total amount received to date is \$27,173.50. Last year, we received \$26,323! The Lord never ceases to amaze me at how He is so faithful to us! Thank you families, for your hard work and commitment in collecting those pledges. May He be glorified in it all!

I would like to give a special "thank you" to some people who helped make this day run smoothly and helped us to have so much fun.

To Mr. Anderson: For opening with prayer, you're so inspiring.

To Mr. Walter: For faithfully being our MC, keeping us motivated through song and commentary.

To "Champ": For being there, enduring the heat, and letting us enjoy you.

To Sue Dudley and anyone else who had a part in handling our forms, then sorting through ALL of our pledge information.

To those who donated our snack items: They were SO tasty, thank you!

To our snack servers: You helped keep us fueled and inspired.

To our lap punchers: For being not only efficient, but encouraging.

To our kitchen staff: The lunch was so good!

To Mr. Busatti: For coming to help with set up on short notice.

To our walkers: YOU NEVER GAVE UP, and you are so appreciated.

May the Lord bless you as you seek to honor Him in all you think, say and do. You are a blessing to us!

In Christ, Jody and Carol Helton.

LIBRARY CORNER

Thank you to all our benefactors this school year, including all who gave encouragement and prayed for us! It has been a productive year; the library is thinner but healthier. Countless books have been mended, covered with protective material for a longer shelf life, while others have been re-shelved for a better flow.

This summer we hope to rearrange our shelving and open up the middle section for tables and chairs.

Have a wonderful summer!

-Mrs. Bohren, CCS Librarian
